

This grand triple gable home will take your lifestyle property to another level of a causal luxury estate. The grand entry leads to a large foyer and a built-in mud nook. Through the glass foyer double doors, your eyes will gaze over your manicured property, a large high-ceiling covered outdoor living, an outdoor bar with a massive gas-strut window and your pool for maximum good vibes. Additional features include a back-to-back fireplace for both lounges, a separate primary room, a mudroom accessible from outside, and an open living space that flows outside that'll remain unmatched.

Floor Area: 261m²
